ECHO OF ALEXANDER BANK CASE

In the United States Court of Appeals at Cincinnati, Monday, attorneys E. L. Worthington and George C. Webb, of Lexington, for the appellant, and Lawrence Maxwell, of Cincinnati, for the appellee, presented arguments in the appealed case of James P. Lewis, Banking Commissioner of Kentucky vs. The Fifth-Third National Bank, of Cincinnati.

The appeal is from the decree of United States District Court Judge Peck, denying the Banking Commissioner's claim for \$35,000 against the Fifth-Third National Bank, on account of its sale of collateral given to it as security for loans made to the George Alexander Bank of Paris, prior to its failure several years ago.

DEATHS.

BAYLESS

The funeral of Nathan Bayless, Sr., aged eighty-six, who died at his home, at Duncan avenue and Pleasant street, Tuesday at noon, after a long illness, was held yesterday afternoon at three o'clock. Services were conducted at the family home by Rev. W. E. Ellis, pastor of the Paris Christian church. The burial followed on the family lot in the Paris Cemetery. The pall-bearers were James McClure, Sr., Jesse Turney, D. C. Lisle, Dan Mitchell, John T. Hedges and Frank P. Lowry.

Mr. Bayless had been in declining health for several months, and his death was not unexpected. No man in Central Kentucky was better known to horsemen and stock traders than was Mr. Bayless, and it was generally admitted that he was one of the best-posted judges of saddle and harness horses in the State. Mr. Bayless was a native of Scott county, being born at Stamping Ground, in 1834, and was the son of the late Hiram and Lucy Sinclair Bayless, pioneer residents of Scott county. He was named in honor of his uncle, Nathan Bayless, who was for many years a pioneer business man of North Middletown. Mr. Bayless moved to Bourbon county about sixty years ago, and engaged in farming and stock trading. About fifteen years ago he moved to Paris. He is generally credited with having been the last slave-owner in the State, having purchased a colored man on the auction block just the day before President Lincoln signed the Emancipation Proclamation.

Mr. Bayless was married in 1871 to Miss Laura Wright, daughter of the late Gilson Wright, of Bourbon county, who survives him. He is also survived by two brothers, James Bayless, of Indianapolis, and Hiram E. Bayless, of Arthur, Ill., and one nephew, Nathan Bayless, Jr., of Paris.

THE RESULTS ARE LASTING, SHE SAYS

Nashville Woman Give Tanlac Credit For Her Perfect Health

"Tanlac restored my health three years ago so thoroughly I haven't taken a dose of medicine since," said Mrs. Callie Gross, 1524 Compton Avenue, Nashville, Tenn. Mrs. Gross is the mother of ten children, and, although she has attained the age of seventy-two years, is still active and vigorous and does not appear her age by many years. She added:

"This grand medicine certainly produced lasting results in my case. It's all the more remarkable, as before I took it I had been in wretched health for many years. I was a great sufferer from stomach trouble, and while I had no appetite to speak of, the little I forced myself to eat always caused me intense distress afterwards."

"I had an awful pain right across the small of my back, and at times it felt as though it would break in two. I was so weak and nervous life was a burden, and for a while I almost lost hope of ever seeing a well day again. It was from this condition Tanlac rescued me."

"I never dreamed I could get the relief it brought, and I certainly was surprised and happy woman when I found I had gotten hold of the right medicine at last. It just made me a well woman, and for three years I have had a splendid appetite, perfect digestion and have been sleeping peacefully all night long. If my health ever fails I shall take Tanlac at once. It is an extraordinary medicine and I am willing to pin my faith to it."

DON'T WASTE TIME

It's a waste of time to experiment with liniments and plasters when you have a dull, throbbing backache or sharp, stabbing twinges. Get at the cause! Help the kidneys with Doan's Kidney Pills. Read this.

Mrs. J. T. Martin, 1024 Main street, Paris, says: "I fell and received an injury which left my kidneys in a weakened condition. I suffered severely and although I took different remedies nothing gave me a bit of relief. I was advised to take Doan's Kidney Pills and after a short time they relieved me. At that time my back ached and pained until I thought it would break in two. Sharp twinges of pain would shoot through my kidneys. In one week after taking Doan's Kidney Pills I felt like a different woman and I still take them whenever I feel my kidneys need a tonic." (Statement given February 17, 1908.)

On November 12, 1920, Mrs. Martin said: "Doan's Kidney Pills are certainly all they are claimed to be and I recommend them just as good to-day as I did many years ago when I told of their good merits. I gladly confirm my former statement."

People of Poor Appetite, Bad Complexions and "Spring Fever" Need a Blood Tonic

GUIDE'S PEPTO-MANGAN IS BEST.

Makes Rich Red Blood—Renews Vitality and Increases Body's Resistance to Disease

Spring is the time when good blood is so vital to health. If you do not feel the thrill of Spring in your blood, if you take no pleasure in living, if your appetite is poor, your complexion pallid or muddy, and you tire easily, you can be pretty sure your blood is not up to the mark. So many people feel that way in the Spring. Especially housewives who have so much work to do. They get over-tired and run-down — their blood becomes weak and thin.

Build up your health now by taking that splendid Spring tonic, Guide's Pepto-Mangan. It will give vital power to the red corpuscles in your blood. They will go racing through your blood, carrying fresh supplies of oxygen to all the tiny cells. It will help improve your color and your appetite. You'll take more interest in things and enjoy life more. You will stop going around with that tired, all-gone feeling.

Physicians have prescribed Guide's Pepto-Mangan for thirty years. You can get it at your druggist's in either tablet or liquid form. Take whichever you prefer. They have the same medicinal value. Get the genuine.

Lamps Shine Downwardly.

A new form of lamp designed in England maintains a long, horizontal arc especially useful for the overhead lighting of film studios, or for photo printing.

"Cold in the Head"

If an acute attack of Nasal Catarrh causes you to frequent "colds in the head" you will find that the use of HALL'S CATARRH MEDICINE will build up the System, cleanse the Blood and render them less liable to colds. Repeated attacks of Acute Catarrh may lead to Chronic Catarrh.

HALL'S CATARRH MEDICINE is taken internally and acts through the Blood on the Mucous Surfaces of the System, thus reducing the inflammation and restoring normal conditions.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study.

Dr. Edwards' Olive Tablets are a pure vegetable compound mixed with olive oil.

You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Take one or two nightly and note the pleasing results. Millions of boxes are sold annually at 15c and 30c.

THIS YOUNG MOTHER

Tells Childless Women What Lydia E. Pinkham's Vegetable Compound Did for Her

Millston, Wis.—"I want to give you a word of praise for your wonderful medicine. We are very fond of children and for a considerable time after we married I feared I would not have any owing to my weak condition. I began taking Lydia E. Pinkham's Vegetable Compound and now I have a nice strong healthy baby girl. I can honestly say that I did not suffer much more when my baby was born than I used to suffer with my periods before I took Lydia E. Pinkham's Vegetable Compound years ago. I give all the credit to your medicine and shall always recommend it very highly." —Mrs. H. H. JANSEN, Millston, Wisconsin.

How can women who are weak and sickly expect or hope to become mothers of healthy children? Their first duty is to themselves. They should overcome the derangement or debility that is dragging them down, and strengthen the entire system, as did Mrs. Jansen, by taking Lydia E. Pinkham's Vegetable Compound and then they will be in a position to give their children the blessing of a good constitution.

Advice for Young Girls

Roanoke, Va.—"Dr. Pierce's Favorite Prescription is an excellent medicine to give young girls who suffer. One of my daughters has been very delicate for some time, suffered with functional disturbances, and every winter would be sick and I would have to have the doctor for her. She would be weak and nervous. Last winter a friend advised her taking 'Favorite Prescription' and it has done her a world of good. She is in better health than ever before. I would advise mothers not to let their girls suffer, give them the Prescription." —MRS. SARAH E. HAYNES, 1514 Loudon Ave., N. W. All druggists.

Paris Comes to Paris!

FIRST
EXCLUSIVE PRESENTATION
OF
Parisian Dress Creations

BY

THIS is the announcement of the most wonderful news in the entire history of fashion in this community! It means the final realization of our highest style-ideal—the greatest forward step in the fashion-service that this store has rendered to the community—a direct link in style with the world's fashion-center—PARIS itself!

THE first presentation of Crown Parisian dress creations, henceforth to be the exclusive privilege of this Store in this community, will bring an opportunity heretofore restricted to the metropolitan style-centers of America.

It will mean the opportunity for well-dressed women to get, right at home, in their own community, authentic Parisian fashions—dress creations designed in Paris itself—at practically the same time as the original styles first make their appearance in France.

This achievement is made possible by Crown, the sole American organization maintaining designing headquarters in Paris. For years Crown, because of its location, has been able to anticipate Parisian dress fashion, to adapt it instantly to American social needs, and to send it over

with unprecedented speed to set style-standards in the great cities of America.

Now, through the expansion of Crown facilities for style-creation, and the perfecting of a new plan that permits the presentation of Crown Parisian creations, at the same time throughout America, the ideal of a direct link in style between the world's fashion-center and this community becomes an actual reality with this Spring.

If you would know what "Paris" truly means in style, if you wish to realize what "Parisian fashion" means individually to you, see the brilliant Spring showing of Crown creations which inaugurates this wonderful new style-service at this store—and gather authentic style-information from an array of fashions as exclusive and correct as the greatest style-centers, or Paris itself can show!

RAILROAD MAN INJURED

While walking along the L. & N. tracks in the South Paris yards, W. L. Fenwick, of Sixteenth street, a railroad mechanic in the local railroad shops, was knocked down by a switch engine and severely bruised.

Mr. Fenwick's escape from more serious injury is remarkable, as he narrowly escaped death. Mr. Fenwick's hearing is slightly impaired, and the accident is attributed to this. Mr. Fenwick's narrow escape was probably due to the alertness of Engineer McCarthy, who reversed his engine and stopped immediately. Mr. Fenwick was taken to his home.

From a small beginning the business expanded until the present handsome business house at the corner of Main and Sixth streets was erected. Since the death of the founder, the business has been carried along by his sons with the same success and business ability that characterized the father.

BASKET BALL TOURNAMENT

Everything is in readiness for the Girls' Basket Ball Tournament, which is to be held in Cynthiana, to-day and to-morrow, Friday and Saturday, March 18 and 19. The tournament is the annual meet of the girls' basket ball teams of Central Kentucky.

Six teams will participate, Paris High School, Lexington Senior High, Georgetown High, Clark County High, Nicholasville High and Cynthiana High. ST. PATRICK'S DAY OBSERVED

Loyal Irish-Americans in Paris observed yesterday, "St. Patrick's Day," in an appropriate manner, and kept alive the memory of Ireland's patron saint. Services were held at the Church of the Annunciation by Rev. Father Wm. J. O'Hara.

At night Rev. Father Carroll, of Cynthiana, delivered an eloquent address at the Catholic Hall, on High street, at the regular meeting of Commodore Barry, Council American Association for Recognition of the Irish Republic. An appropriate musical program was rendered by local talent. Green badges, ribbons and Ireland's emblems were in evidence everywhere.

In honor of the day The Cynthiana Democrat was printed in bright green very pleasing to the eye and a decided departure from the "conventional black" of the ordinary issue.

SPRING FASHION NUMBER

STYLE PERMITS FREEDOM
OF CHOICE THIS SPRING

(By Fashionable Nancy)

The lines, colors and fabrics allow much latitude in selection that any woman can embark joyously on the pleasant duty of choosing spring clothes, assured that she can find something that is becoming as well as smart. The lines are still straight, for the slender silhouette is even more pronounced than in the winter, which will mean a little more dieting for the woman who has a tendency to disregard fashion's decrees by putting on weight.

FROCKS are a dream of loveliness, and are, fortunately, dreams that may come true, for they are more moderately priced than last year. They reflect the bright, joyous coloring of spring—Rust, Flamingo, Pewter, Wren, Dinty green and Harding blue (which is so lovely that the first lady of the land selected it), as does the Millinery, which is riot of coloring and many-hued flowers.

Suits appear with loose box coats and jackets, charmingly youthful in line and design, or in strictly tailored models, trimmed in black silk braid. Piquet, Tricotine, Twill cord, Home-spun and Covert cloth are the favored fabrics for suits, while such soft materials as Marcella, Veldyne, Veletour, Orlando prevail in wraps. And, speaking of wraps—one may have a cape of exquisite grace and fabric, a semi-dolman with wide sleeves and wider collar, or a smart Polo coat that is excellent for street or motor wear.

In frocks, the crepe family reigns supreme, and Canton crepes, Crepe de Chine and Crepe Meteor command themselves for summer wear by their coolness and durability. Pussy willow Golflex de Sole, a new version of tricotette which will not ravel, are also excellently adapted to the new fashions. Noticeable are the new long-waisted chemise frocks, the basque waists, loose-hanging panels, odd cuffs, and dyed lace—for lace, after a period of banishment has come into its own again.

Altogether, it is a season of rich simplicity—a conservatism that is evidenced especially in the suits and wraps. For instance—

The charming young person sketched here wears a suit of Piquet, whose straight lines and plain contour is simplicity itself, but who makes up for this seeming austere by rows of tomato-colored embroidery, tomato-colored fringe, and an under-blouse of the same rich shade. This little three-piece suit—for three-piece it is—is typical of the more elaborate tailleur. The blouse, which is a part of the suit proper, is of navy Crepe satin, with a round neck and short, close-fitting sleeves. It is thin enough and cool enough to supplant the separate blouse in popularity.

Altogether, it is a season as joyous as every spring should be, augmented by a superb offering of new fashions and the long-awaited lower prices.

Beauty of Blossoming Spring

And Suits to do that MUST be wonderfully charming—for spring is the season of beauty—the birds, the flowers, the orchards, the meadows smile on the approving world in their brightest plumage.

Our suits, this springtime, characterize their newness and desirability in their elaborate ways and means of trimming—embroidery taking first place, and beads following closely—either scintillating or subdued; or braids, yards and yards of it, winding intricately about.

Rich Navies—Spring's Delightful Preference

are in abundance. You know their graceful charm. In styles—if your choice is a blouse back coat with adorable satin sash that drapes demurely about—

—or a box coat effect—intricately embroidered or braided—youthful and smart—

Fashion Takes an Elaborate Way to Trim These Delightful

Georgette Blouses \$5

She uses all the smart new ways she could think of to make them different from last season's blouses. She wanted them to have a style distinctly their own—one dainty and springlike—so she

Puts on collars, or at least the effect of a collar—

Tucks them elaborately into a mass of sheer daintiness—

Knots a tiny bit of French ribbon at the throat—

And takes Pt. Venise lace in abundance and uses it to further add to their distinguishedness.

AND TO TOP OFF ALL THIS BEAUTY SHE USED THE GLO-
RIOUS NEW COLORINGS—Honeydew, porcelain, tomato, zinc, flesh,
white and bisque. And all you pay is \$5!

MILLERSBURG

Called meeting of Amity Lodge, No. 40, F. & A. M., at 7:30 p. m. to-day. There will be Third Degree work. All members are urged to be present.

Mr. Sugg, of Morganfield, delivered an address Thursday afternoon at the Opera House, on the subject of "Swine" in interest of the stock department of the Graded School. His lecture was illustrated with pictures of many Duroc Jersey Hogs.

Miss Anita Burnham, of Lexington, assistant State club leader of the P. T. A., addressed the student body of the Graded School Wednesday morning during Chapel hours, and addressed the P. T. A. on the same day at 3:00 p. m. Both addresses were good, and well attended. Penny lunch and candy were served at noon by the P. T. A., and a nice little sum realized.

A protracted meeting began at the Christian church Monday evening. Elder W. J. Slater is being assisted by Elder Herbert Ewell. Elder Ewell is a prominent evangelist, and is drawing large audiences at every service. This meeting was a surprise to most, as it was not known until last Sunday that the services of Elder Ewell could be secured. He is a forcible speaker, a good thinker and carries his audiences with him. Services every evening at 7:30 o'clock until further announcement. He will be assisted by his singer in a few days. The meeting will continue until after Easter Sunday.

SEARCH FOR MISSING WOMAN.

Paris and Bourbon county officials have been asked to assist in the search for Mrs. Frank Nichols, of Clinton, Ky., who left Xenia, Ohio, where she had been visiting, on February 28, to visit her mother, Mrs. Mary Dunn, near Paris. She failed to arrive here and nothing has been heard from her since.

The missing woman is described as being five feet, eight inches in height; of slender build; weighs about 125 pounds; dark red hair; blue eyes; dark complexion; hair worn curled over ears; has small scar just above left eye.

Nichols has been in Paris several days prosecuting the search for his missing wife, but so far has been unsuccessful.

Tuesday Disaster Day.

Statistics show that calamities are far more common on Tuesday than on any other day of the week. Railroad disasters, fires, street accidents—the record in each case is easily held by Tuesday.

Escape the "Stout" Class
An attractive figure is not a matter of size but of correct proportions. The stout women who are never spoken of as "stout" are those who give a little time and thought to proper corseting.

Rengo Belt Reducing Corsets give the wearer an appearance of slenderness. The exclusive Rengo Belt feature gives strength and support where the greatest strain falls—over the abdomen and hips. They have the reputation of being "the most economical reducing corsets ever devised."
